About our collections

About Us

For more than 15 years, RBC Salon Furniture has been a shining light of competency in the hair salon business with an unbroken tradition of experience and ability. Right at the time we were established, we decided to offer the best quality products and services that would win the approval and admiration of salon directors all through the country.

Story

Our Story

The salon world has changed a lot since RBC Salon Furniture first saw the light in 2008. Undaunted by our relentless dedication to innovation, quality and service superiority, we embark on the journey to revolutionize the definition of beauty and grooming. From the beginning our vision was to stand on the edge, the place where great ideas are introduced and new technologies are elevating the salon services of both professionals and clients.

About our shop

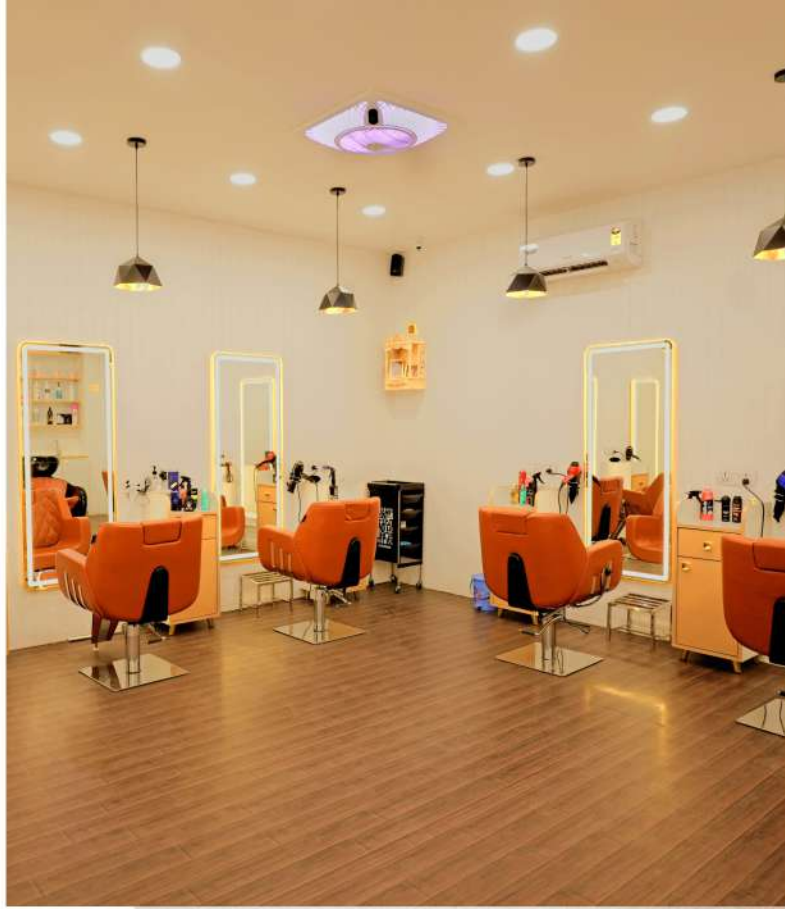

Experience the shop

Our RBC Salon Furniture offers an array of salon basics including chairs and shampoo stations down to the facial beds and trolley devices to make you choose our store as your salon-only supply shop. Every product manufactured is made to the highest quality standards of the industry which guarantees the best quality, durability and performance. Already the preferred partner to beauty clinics and hair salons in the country, we stand out due to our reputation for unfailing customer satisfaction, which is built on our reliability, affordability, and uncompromising dedication to quality.
